1. Thank you for your entry for this event which has been accepted. You will be notified of your competition number at a later date.
2. **Competitors are advised that should there be adverse weather in the days before the event, restrictions may be imposed on the size and/or weight of service vehicles that will be permitted in the service area, in which case a further instruction will be issued.**
3. **Documentation** and **vehicle scrutiny** will be held on Friday 1 July at Lurgan Park from 4.00pm until 9.00pm. Please enter the Park through the Avenue Road gate and park as directed by the marshals. A **10mph** speed restriction must be observed as the Park is open to the public at this time. Doorplates / competition numbers will be supplied at the vehicle scrutiny bay.
4. All cars must be taxed and a valid **MOT Test certificate** must be produced for any car by law required to have such a certificate. A current **Rally Stages Log Book** must be produced for each competing vehicle. A noise test will be carried out as part of the vehicle scrutiny and competing cars may be required to undertake a further noise test at any time during the event.
5. **Competitors Licenses** – Competitors are reminded that the correct grade of license must be produced at signing-on. Drivers must hold a valid Stage Rally National 'B' license or higher and the co-driver must hold a Non-Race National 'B' license or higher. **Co-drivers wishing to make applications for a Non-Race National 'B' license on the day of the event should present their completed license application forms, including any necessary photographs and application fee, in a sealed envelope for dispatch to MSA.**
6. Following scrutiny/documentation, it is strongly recommended that crews set up in the service area, where security personnel will be in attendance overnight. Competitors use this facility, however, entirely at their own risk.
7. On Saturday **ALL SERVICE VEHICLES & COMPETING CARS MUST BE IN THE SERVICE AREA BY 8.00 am.** Entry to the park will **ONLY** be permitted via Avenue Road gate (Belfast Road).
